### **Maltz publishes photography collection**

Photographer Alan S. Maltz has published his fourth collection of photographs, titled "Visions of Beauty — Fort Myers, Sanibel & Beyond."

The book captures the seclusion and mystique of the outer islands, the history and charm of old Fort Myers and the hidden treasures of Sanibel and Captiva islands, as well as views from destinations such as Borita Springs, Cape Coral, Boca Grande, Cayo Costa, Pine Island and Estero.

Sixty of the works from the book are on permanent display at the Southwest Florida International Airport in Fort Myers. The project was commissioned by the Lee County Visitor and Convention Bureau and the Lee County Port Authority.

Maltz is the author of three other large-format coffee table books, including "Key West Color," "Miami City of Dreams" and "Florida ... Beyond the Blue Horizon." He has been designated the official fine art photographer for the state by Visit Florida and the official wildlife photographer of Florida by the Wildlife Foundation of Florida.
