Dear Alan:

Thank you for doing such an outstanding job on the commemorative portfolios for Southwest Florida International Airport's new Midfield Terminal Complex. They were the perfect vehicle for showcasing your spectacular imagery! We received a great deal of positive feedback on the portfolios and hope you are as delighted with the end product as we are.

You were a true pleasure to work with. Your attention to detail and personal involvement in each aspect of this project was greatly appreciated. Please accept the enclosed mementoes as a token of our thanks.

We were so glad you could join us at the recent terminal sneak preview event and hope to have the opportunity to work with you in the future.

Sincerely,

LEE COUNTY PORT AUTHORITY
