**FORT LAUDERDALE, Fla.** - Four images by renowned fine art photographer Alan S. Maltz are on permanent exhibit at Starmark International, a full-service integrated marketing communications agency located in Dania Beach, Fla.

Maltz, who is the "Official Fine Art Photographer for the State of Florida," together with Starmark CEO Dan Estes, unveiled the original pieces during a private reception at the agency on Thursday, April 16. More than 50 people, including art aficionados and prominent business leaders, were in attendance at the agency's first-ever "Gallery Night." The images (L to R), titled "Guiding Light," "Maiden Voyage," "Flats Fever - It's Catching" and "Clarity," are displayed at the agency's StarBar Networking Center.

"Photography for me expresses a natural, intuitive sense of knowing what to do and when to do it," said Maltz. "I am honored to exhibit these murals of Florida's spectacular environment, spiritual and inspirational works of art, at Starmark International, which shares a similar creative vision and intuition."

More than 20 additional works from the Alan S. Maltz Gallery, located in Key West, were also on display at the reception. Invited guests had the opportunity to meet the artist, network with friends and enjoy a Florida-themed menu of hors d'oeuvres. Winners of the business card drawing took home a signed copy of Maltz's book "Florida ... Beyond the Blue Horizon" and an original lithograph titled "Florida ... A Natural Inspiration."
